Entry Fee: \$10.00, cash or check only please. On-site registration only. Registration starts at 5:30.

Scoring:

Your score for a single TT is computed from the total number of racers you beat plus 1. The more people who participate means there are more points to be earned. You can earn an extra 5 bonus points for beating your previous personal best time for the year.

Score = 1 + # of racers you beat + bonus

For example, you have a time faster than 18 other racers, but you didn't beat your personal best time for the year, you would earn 19 points.

A rider can earn a 5 point bonus by beating the course record for a given category.

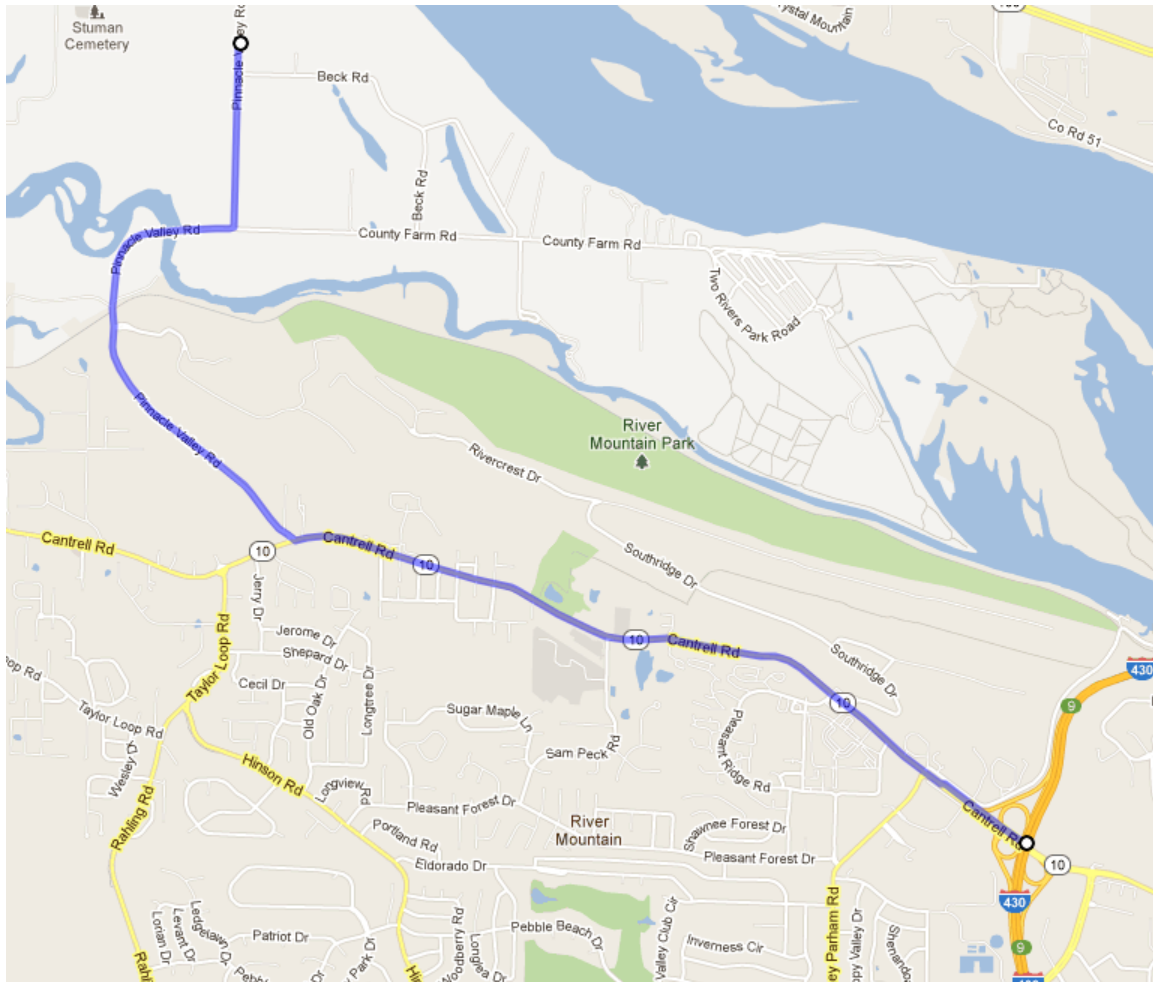

The points will be doubled for the final race on April 26th and July 26th.

Awards:

Overall series prize money of \$2600 to be split evenly between the April and July blocks of racing. This means \$1300 will be divided among Senior Men 1, 2, 3, Senior Men 4,5, Senior Men 45+, and Senior Women for each month of racing.

Directions and Parking to Maumelle Park:

From the intersection of Cantrell (Highway 10) and I-430, head west for 1.6 miles. Turn right on Pinnacle Valley Road and head south for 1.6 miles. Turn left and continue on Pinnacle Valley Road for 0.5 miles to Maumelle Park. Park inside the park on the righthand side as you enter the park. The start is about a mile north on Pinnacle Valley Road just south of the railroad tracks.

USA Cycling license is required. Day of race licenses will be available for purchase.

All USA Cycling rules will apply. Races will run rain or shine.
